w/dinner to follow @ 7:30 p.m. Fiesta Azteca of Suntree [6765N Wickham Rd]
(individual checks)

Programming Lego Robots (for adults)

Don't miss this hands on opportunity to learn how to program a LEGO robot, learning how to get it to move to specific positions using the motor and sensors and then complete and obstacle course. If time allows, build and interface an end effector to retrieve and object.

Workshop led by Laura Melnik- President of Florida Robotics Education. She led the FIRST LEGO League program in Florida for almost 10 years!!

Professional Headshots

Get your professional photo by Albert Salazar to upload to LinkedIn etc.

Suggested cash donation: \$5

RSVP at swe-sc.org by 11/3
